**Electric Hot Water**”

AUSTRALIAN MADE VITREOUS ENAMEL ELECTRIC WATER HEATERS

# AQUAMAX AQUATEN ELECTRIC WATER HEATER SPECIFICATIONS

## Stay in hot water with AquaMAX

AquaTEN® high efficiency electric water heaters from AquaMAX will keep your team in steaming hot water all year round.

AquaTEN® hot water systems have a specially developed MAXI-namel® cylinder coating and a larger anode for added protection. Backed by a TEN YEAR MAXI-namel® cylinder warranty,<sup>1</sup> the AquaTEN® 250L, 315L and 400L water heaters set the standard for electric hot water heaters.

AquaTEN® Water Heaters are made by Aussies for Aussie conditions, right here at home to suit a variety of family sizes.

### Up to 15% MORE EFFICIENT THAN MEPS

Winner of the Top Energy Saver Award (TESAW), AquaMAX Electric Water Heaters are proven to be up to 15% more efficient than MEPS (Minimum Energy Performance Standard), making them a great option when you need high efficiency Electric hot water that delivers.
